A Message to My Valued Patients

It is with a mixture of emotions that I am writing to announce my retirement from the practice of medicine, effective **January 6**.

Serving as your physician has been a profound honor. I am deeply grateful for the trust you have placed in me over the years and for the privilege of being a part of your lives and your health journeys. The relationships I have built with my patients have been the most rewarding aspect of my career.

While I am looking forward to this next chapter, my priority is ensuring that your care continues without interruption. I am pleased to share that my colleagues here at **Southwest Ear Nose and Throat Consultants** will be assuming your care. I have full confidence in their expertise and their commitment to providing you with the highest level of ENT services.

Your medical records will remain securely with the practice, and your future appointments will be handled by the same wonderful staff you have come to know.

Thank you for the kindness and support you have shown me throughout my years in El Paso. I wish you and your families the very best of health and happiness.

Sincerely,

Rodney K. Jamison, MD
